

Dear Pastor:

Allow me to introduce ourselves to you. My name is Pastor Dave Bueckert, and my wife, Marie. We have been married for 33 years, raised four children, all serving in their local churches.

We have been involved in planting Independent Fundamental KJV churches over the last 30 years in Alberta and British Columbia. The last one (which is now our sending church), we assisted in planting (1999,) and then pastored it for the last 10 years in Calgary, AB. The Lord has blessed as we laboured at Olde Tyme Baptist Church, and has raised up a man within it to take over the Pastorate. This position was turned over to Pastor Don Cline on September 18, 2011. We have seen many saved and baptized over the years and the church is consistently running about 70 in attendance, and working with around 100. Every week since January 9, 2011 (when we moved into larger facilities) there have been visitors weekly. Many of them have joined. We are so thankful for God's blessings.

God has laid on our hearts to plant a new church in Charlottetown, Prince Edward Island. Lord willing, this will begin within the next year. There are only three churches there that we know of that are staying true to God's Word. There has not been a new church plant since 1978--33 years! Bearing Precious Seed Ministry has recently distributed John/Romans booklets throughout the Island in August of 2010. We must go, water this seed and reap the harvest!

We are now on deputation presenting this needed field of ministry, with a desire to challenge others to consider missions, to encourage churches and raise the needed support to be obedient to God's will for our lives. We ask that you would prayerfully consider having us. As we are just getting started on this new venture of deputation, our itinerary is quite open. We would count it a great blessing if you would allow us to present our ministry to you and your congregation.

Our desire is to be a blessing to your church. If you could use us to minister to the hearts of your people, we would count it a great privilege. Please, do not let finances get in the way. If God wants us with you, we want to be with you!

We are being sent out of our home church, Olde Tyme Baptist Church to begin this exciting, new work. If you would like to see some of the ministries we have started there, you are welcome to visit the church website at <http://www.oldetymbaptist.com>.

Our personal testimonies are included on our sending church's website, as well as our Doctrinal Statement for your viewing. From the church website you may also listen to one of my sermons if you should so choose. If you have any questions, please feel free to contact by email at davidbueckert@gmail.com or by cell phone, 1 (403) 608-7497.

God bless,

Pastor Dave Bueckert
Church Planting on Prince Edward Island
