

Dear Pastors and fellow Believers:

If you are considering taking Pastor David and Marie Bueckert on for support, let me first congratulate you on an excellent decision, but also give you a few words of encouragement regarding this decision. Cookie and I first met Pastor Dave on a Thursday night in May, 2003. We had just moved to Calgary from Phoenix, Arizona and were fervently seeking where God would have us serve while here. After searching for the church started by Dr. John Cook (they missed the closing date for getting their contact information in the yellow pages) we walked across the threshold of a little storefront housing The Olde Tyme Baptist Church. And while there were only about 12 people (mostly the Pastor's family) in attendance, the Spirit was moving in the song service and we knew we were "home". We went door knocking with the church two days later (led two to Christ) and joined on Sunday. Now, over 8 years later we are in our new building, averaging over 60 in attendance and seeing souls saved on a regular basis. The point I want to make is Brother Dave knows Church Planting and is a seasoned veteran of this important ministry, having started multiple churches in the past 30 years. God holds us, as church leaders, accountable for all resources placed at our disposal. A most important (if not THE most important) is funds designated for missions. I can say with absolute surety, every dollar given to this ministry will be used for the purpose of starting churches, reaching the lost and raising up committed men and women to further the ministry. May God bless you and give you wisdom as you consider Pastor David Bueckert for full time support.

Pastor Don Cline
